

April 2021

Service Award

Recipients:

- Molly Bohlke—5 Years
- Alex Dixon—15 Years
- Josh Hill—5 Years

Reminder: The newly revised policy manual goes into effect today, April 1st, 2021. Please shred, delete, or trash any existing manuals.

April 21st is Administrative Professionals Day, so thank you to the JCUA Admin team for all of their behind the scenes hard work and dedication. Appreciated today and all year!

NEWS SPLASH

Contact Tank Upgrade

Thanks to our West Jackson County employees for providing a much deserved upgrade to the contact tank located at the WJC facility. The new water source being used to clean the tank is by way of a new water well that was drilled near the contact tank for the purpose of disinfection and sanitation. Again, thank you to all of our WJC employees who helped lend a hand in the transformation of the newly upgraded contact tank.

The JCUA would like to congratulate 3 employees on their upcoming retirement. **Lonnie Hanna** has served 18 year as Maintenance Mechanic, **Richard Weathers** has served 19 years as Operator, and **Darryl Sidaway** has served 7 years as IT Manager. Thank you all for your hard work and dedication to the company. We wish you the best and enjoy your retirement.

Quick Thinking, To The Rescue

Maintenance employee , Chris Smith, quickly responded to a leaking aeration basin located at the O&M building on Fredrick street. Due to high flows, the aeration basin began leaking and Chris quickly acted in patching up the wall with hydraulic water stop. Way to go, Chris!
